## **General objective:**

Preserving posterity through creativity and skills acquisition in pursuit of knowledge and information

## **Career objective:**

To create and foster an environment of creativity, skill acquisition and cooperation where every individual can participate in any organizational missions and visions which will be through the use of scientific researches in both Technology and Education. And continue to improve upon products and services that serve the community and the world at large in pursuit of knowledge and information.

## **Instructional Designing Skills:**

- E-learning designer and developer: with Articulate Storyline 2; Adobe Captivate 5.5; Articulate Studio 2013 and Microsoft packages (power point, word, publisher, FrontPage, excel); Vectorian Giotto; Aurora Presentation supporting Computer-Based Test (CBT) and (CMS) etc.
- Analytical Reasoning with Programme Instruction (PI)
- System approach problem-solving skill, critical judgment, and conceptualization with research skills.
- Effective in unstructured academic environments where initiative, skill acquisition and creativity are encouraged.
- Flexibility in interpretation of data by descriptive and inferential statistics.
- Computer Networking.
- System/instructional/E-learning designer
- Instructional Game designer and developer; Mobile learning content designer,
- Technology director, evaluation /assessment specialist/human performance technologies manager/training coordinator/instructional technologist,
- Creativity in Multimedia expressions and editing suit with Pinnacle Studio, Camtasia Studio and CS6 Adobe premier pro etc.
- Crazytalk animation 2.1 pipeline and crazytalk 7 for designing and developing educational resources like cartoons
- Turning books and magazine into Flip books
- Social Media use for instruction like Edmodo, Google Classroom, Facebook, Twitter, Thinglink, cowbird etc.

## **Educational qualifications with dates**

- Ph.D. in Educational Technology/Instructional Technology *in view till date 2017*
- M.Ed. in Educational Technology/Instructional Technology. Ph.D. grade with Distinction (2014) University of Ibadan, Ibadan.

- B.Sc. (Ed) Technical Education (Elect/Elect Technology) 2<sup>nd</sup> Class Upper 2010. Tai Solarin University of Education, Ijagun.Ijebu
- Diploma in Computer Engineering. 2nd Class upper 2010. Tai Solarin University of Education, Ijagun.Ijebu-Ode
- Nigeria Certificate in Education (NCE) Technical Education (Elect/Elect Technology). Osun State College of Education, Ilesha. Osun-State. Credit, Credit, Credit and Distinction.2004.

### **Experiences as an e-learning designer and developer:**

- Participated in developing an e-learning version of a facilitator's handbook for Non-Formal Education (NFE), *A National Commission for Mass Literacy, Adult and Non-Formal Education Abuja Nigeria. 2013 UNESCO project*
- Developed an *ICT-enhanced Mathematics Teacher Development* E-Resource: 2013 UNESCO ICT-eTD
- Designed and developed a still cartoon of scenario based e-learning on HIV tagged '*AN INDISPENSABLE KNOWLEDGE OF HIV FOR ALL' 2013* For Adeyemi college of Education Students, Ondo.
- Developed *A Self learning Package on Mathematics covering Logarithm, Statistics and Longitude and Latitude for senior secondary school ( I)*: 2013
- Designed and developed *E-learning Portfolio*: 2013
- Designed and developed an e-learning package on Basic knowledge of Nigeria: "*HOW MUCH OF NIGERIA AS A COUNTRY DO YOU KNOW?*" 2013
- Designed and developed a video-based instruction on : "*ALPHA BASIC CLASS FOR PRIMARY PUPILS*" 2013
- Designed and developed *a mobile learning package on how to use the features of mobile phone for instructional process*. 2013
- Developed '*A BIG MONSTER GAME* that teaches science concept on EROSION for primary school girls, 2013.
- Developed *a fruit game to affect the attitude of adolescents on fruit intake in Nigerian secondary schools*. 2013.
- Designed and developed a *GeoGame for primary schools pupils with a storyline 'THE ELEPHANT AND THE ANIMALS'* 2013.
- Developed a *WebQuest* on Technology Integration .(2015)
- Developed a *Digital story* on Technology Integration (2015)
- Developed an interactive computer portable application on **self-employment** 2015
- Developed an **Essay Guide for Senior secondary school** (2013)
- Currently taking practical classes for both undergraduate and postgraduate students on different tools for e-Learning design and development
- Digital Story (Interactive video) 2016
- Talking Book for Adult learners: Titled: English Grammar. 2016
- Mathematics Package for Primary school pupils. 2016
- Photo book: 'Whimpers from the wasteland

### **Benefits of my skills to organization:**

- Appropriate selection of learning tools that is supportive of innovative approaches to teaching and learning.
- Effective use of Learning Management Systems (LMSs), such as Moodle and Edmodo amongst others, to organize and deliver instructions, carry out assessment (MCQs and Essays, Noredink), grade learners' turn-ins, and track learners' progress.
- Facilitation of online discussion with students to achieve desired goals.
- Design and facilitate training workshops, based on needs, for adults.
- Ability to interact and share responsibilities with team members to achieve expected outcomes.
- Assess problems and carry out needs analysis.
- Organize resources needed for training programs.
- Development of instructional packages and portable applications using authoring tools.

- Use Design Thinking paradigm to solve problems

## **Lead City University, Ibadan 2013:**

### **Responsibility**

- Educational Technologist ( short term service)

## **Project Works Finished (Paper-based):**

- Design and Development of a Mathematics Game on Geometry, Acceptability and User-usability for Primary school pupils. Master Thesis. 2013
- The use of social media (EDMODO) for collaborative learning among undergraduate students of University of Ibadan. An independent study. 2013
- An Assessment of the impact of Technical Education Programmes on Skill Acquisition and Creativity among post-secondary schools in Lagos State. 2010 Final year Project Department of Vocational and Technical Education, Tai-Solarin University of Education.Ijagun, Ijebu-ode.B.SC(Ed).
- The Challenges of Vocational and Technical Education in the era of Globalization. 2010 A seminar paper presented in Technical Education department.
- 3Q-Phase Electric Motor Controlled by A-Star-Delta circuit 2010.
- Market Share and Projection for 12 calendar months (Lafarge cement company WAPCO) 2010.
- Design and Construction of a motorized satellite dish.18inches jack.

## **Graduate Assistant Teaching:**

- **Postgraduate Classes Blended Mode** 2013 – till date
  - Postgraduate Diploma Programme (PGDE)-- Provided both administrative and facilitative supports for blended classes, which adopts both face-to-face and online platforms for learning, I help to teach course content , coordinate assignments, activities, examination and marking of the scripts: **University of Ibadan**
  - Postgraduate: Masters in Educational Technology-- Provided both administrative and facilitative supports for blended classes, which adopts both face-to-face and online platforms for learning, I help to teach course content , coordinate assignments, activities, examination and marking of the scripts: **University of Ibadan**
  - Undergraduate: Courses domiciled in Educational Technology-- Provided both administrative and facilitative supports for blended classes, which adopts both face-to-face and online platforms for learning, I help to teach course content , coordinate assignments, activities, examination and marking of the scripts: **University of Ibadan**
  - Undergraduate: Courses domiciled in Educational Technology-- Provided both administrative and facilitative supports for blended classes, which adopts both face-to-face and online platforms for learning, I help to teach course content , coordinate assignments, activities, examination and marking of the scripts: **University of Minna**

## **Community Services:**

- **E-Facilitation Training for National Open University of Nigeria (NOUN)** July, 2015
  - Provided assistance for workshop participants during workshop activities
- **Moodle (LMS) Web-based Service –**
  - Provided Technology assistance and training (Educational Technology) to ECDVDU program by University of Ibadan and University of Victoria, Canada. 2015
- **Capacity Building in Media Use workshop for International School Ibadan (ISI), UI Teaching Staff** October, 2014
  - Developed a Training Resource (Drag and Drop game on various methods of teaching for a week long workshop)
  - Provided technical support during workshop, and assistance during hands-on activities
  - The aim of the workshop was to enhance productivity of staff and consequently improve students' achievement in and attitude towards the various subjects.
- **Hult Prize @ University of Ibadan 2016: LOC ICT/Media Expert**

- Invited guest Speaker at Air force Primary school, Airport Road, Ibadan (2017): Creating Bespoke Learning Environments for Primary School Pupils
- Invited guest Speaker at Air force Primary school, Airport Road, Ibadan (2017): Importance of Reading
- Invited guest Speaker at Oba Akinbiyi Secondary School, Ibadan (2017): Training the Staff on the use of Ms Work, Excel, PowerPoint Packages to create E-lesson Note 2016

A., Moronkola, O. A., Akinkuotu, A. O., Babarinde, S. A., Ojerinde, I. M., & Meroyi, S. I. (Eds) Lessons Learnt. In Education in Nigeria: Looking Beyond the 21st Century: Department of Teacher Education, Faculty of Education, University of Ibadan, and pp. 341-361.
- Aremu Ayotola, Obideyi Ebenezer, and **Ogundolire Henry** (2016). Using Students Expectations in Online Learning Environments to inform Instructional Design in Nigeria. Conference proceedings of the 37th International Conference of Educational Media and Technology Association of Nigeria (EMTAN) held between October 17th – 21st, 2016 at Obafemi Awolowo University, Ile-Ife, Nigeria.
- Adedoja Gloria, **Ogundolire Henry**, and Adebayo Catherine (2016). Learning Productivity Tools to Create Flipped Learning Materials among University Undergraduate Students. Conference proceedings of the 37th International Conference of Educational Media and Technology Association of Nigeria (EMTAN) held between October 17th – 21st, 2016 at Obafemi Awolowo University, Ile-Ife, Nigeria.
- Aremu Ayotola, and **Ogundolire Henry** (2015). Computer Games in Nigerian primary school Mathematics - Issues of Acceptability, Usability and Achievement. Conference proceedings 17th Annual Conference of the Association of Educational Researchers and Evaluators of Nigeria (ASSEREN) at University of Ibadan, Ibadan. Nigeria. 12th-17th July, 2015 Theme: Emerging Trends in Innovation and Dynamic Education and Examining.

### **Professional Bodies:**

- A member of Association of Educational Researchers and Evaluators in Nigeria (ASSEREN)
- A member of Educational Media and Technology Association of Nigeria (EMTAN)
- A member of an E- learning guild Network

### **Previous Teaching Experiences (Secondary school level):**

#### **Sunshine International High School, Oke –Ado Ibadan. 2012**

##### **Responsibilities:**

- Taught Technical drawing(T.D) SSS 1-3
- Basic Technology Tutor
- Class Teacher

#### **Government Day Secondary School (GDSS), Ashaka Gombe State. NYSC 2010/ 2011**

##### **Responsibilities:**

- Taught Computer Science.

- Invigilated External Exams.
- Provided information on computer engineering and practical class for Computer coupling.

### **Independent National Electoral Commission. 2011**

- Participated in Voters Registration and Elections.
- Served as Assistant Registration officer (ARO 1).
- Served as Presiding Officer (PO).

### **Methodist High School.Sagamu. 2009/2010**

#### **Responsibilities:**

- Taught Introductory Technology.
- Increased the interest level of Students.
- Conducted practical class in Electricity.

### **Baptist secondary School, oke Ado Ibadan.2005/2006**

#### **Responsibilities:**

- Taught Technical Drawing.
- Taught Introductory Technology.
- Class room teacher.
- Participated in conducting literacy programme for Introductory Technological students

### **Federal Science and Technical College, Ilesa.Osun state.2004**

#### **Responsibilities:**

- Taught both the theory and practical class of Basic Electronics and Electricity.
- The Ultimate Groups of School, olomilagbala, Ilesa.2003
- Responsibilities:
- Taught Introductory Technology.
- Taught applied Electricity.
- Participated in Teachers 'Training.
- Conducted School debate and Quiz.

### **De-Burma Electrical Contractor, (SIWES).Ilesa.2003/2004**

#### **Responsibilities:**

- Carried out domestic installations of both wiring and Electrical fittings.
- Carried out Conduit wiring of domestic installations and interpret Electrical plans.
- Costing of Electrical schedules and fittings for wiring.
- Carried out trouble shooting of electrical faults in domestic wiring.
- Repaired the damaged electrical paths.

### **Kharasim Electrical Company. (SIWES) Ilesa 2009**

#### **Responsibilities:**

- Repaired of Motor starter.
- Installed 3 and 1 phase Motor starter.
- Rewound of 3 phases Electric Motor.
- Rewound of Submersible Pumping Machine.
- Wire a 4 bed room flat.
- Constructed a Star/Delta Circuit

#### **Interest:**

Designing and developing learning games, e-learning design and development, instructional design of course contents, Content Authoring, Reading, Research making, Training and Teaching, Traveling and football.

#### **Referees:**

- Dr. I. Alade. Lecturer in department of Vocational and Technical Education (Technical Education unit) Tai-Solarin University of Education.Tel:08032437263, 08132882129.
- Dr.K.Ayinmode .Lecturer in department of pathology University of Ibadan Tel: 08052115020, ayins2000@yahoo.com
- Prof. Fapajuwo A.M. (A full Professor of Instructional Technologies), Chief Consultant, Global Edutech consulting firm; Iowa State University, Colorado University, East Carolina state University; Raleigh-Durham, North Carolina Area 2. E-mail: professormercyfap@gmail.com
- Prof. Ayotola Aremu. Professor of Educational Technology, Department of Science, Mathematics and Technology Education, University of Ibadan. ayotk2001@yahoo.com 08023351506
